Supervising Architect Hill-Gene Crook Sets Himself Right. WASHINGTON, D. C. Sept. 19.—Secretary Folger said this afternoon that the resignation of Supervising Architect Hill would be accepted. The Secretary of War has received a

letter from General Crook, asking that inquiry be made as to the ommissions in the published copy of his letter Ang. 7th last. Some of the telegrams made General Crook say in referring to Chiricahua prisoners, that they surrendered with the understanding that their past misdeeds would not be punished, provided they behaved themselves in the future: whereas he wrote, it was with this understanding on their part.
